

Press **esc** to exit full screen

- " **shift** to face
- " **delete** to dive
- " **caps lock** to grow
- " **return** to open
- " **tab** to swallow
- " **control** to silence
- " **option** to listen
- " **command** to birth

before alphabets
and clocks
before nouns
and indifference
there were relationships

the domination dogma
lay dormant
no up or down
only a matrix
of oneness

come full circle

build a small
constellation of people
so fire gathers close
do not forget
how to grieve
